

**Force Animal Drawing Animal Locomotion And Design Concepts For Animators 1st First Edition By Mattesi Mike
Published By Focal Press 2011 - bookaddictshaun.co.uk**

force animal drawing animal locomotion and design - *the original force and its sequel on character design stand out on my shelf as a pale blue stripe of fantastic drawing instruction i was excited to see that stripe would be getting a bit wider as mike mattesi uses his dynamic approach to drawing to tackle the broad and difficult subject of drawing animals*
